FOOD HANDLER CERTIFICATION (NC.HLSF 02)

The Certified Food Handler requirement is mandated by California state law for all retail food operations (restaurants, cafes, markets, etc.), and is enforced by local health departments. Each one-day class prepares you to take the examination needed to certify or re-certify you as a food handler. The exam for this course is administered during the last two hours of class; the exam fee is \$30. The exam for this course is administered through the National Registry of Food Safety Professionals: <http://www.nrfsp.com>

Students wishing to take the exam are expected to register and pay for the exam prior to attending. In addition, students taking the exam are expected to familiarize themselves with food safety concepts prior to attending class. Walk-in students are not eligible to take the exam.

To register and pay for the exam, mail or deliver the application on page 40 to Community and Continuing Education; please include a check for \$30 payable to College of the Canyons. Office hours, location, and mailing information can be found on the inside front cover.

Numerous sources of food handler information are available to help you prepare for the exam. Normativa del Programa de Educación Continua

FECHAS DE INSCRIPCION

Los estudiantes deben inscribirse antes del comienzo de clases. La inscripción puede ser por correo, por fax, o trayendo el formulario de inscripción a la Oficina de Educación Comunitaria y Continua (Community and Continuing Education Office) en el recinto universitario de Valencia, edificio TY, número 102.

A menos que se indique de otro modo en el horario de clases, los estudiantes también podrán inscribirse asistiendo a una de las clases, siempre que haya sitio disponible.

CONFIRMACION DE LA INSCRIPCION

No se remitirán cartas confirmando la inscripción en las clases. Tenga la bondad de ir a la primera clase, y el instructor le confirmará que su nombre se encuentra en la lista de estudiantes. Si la clase está llena o ha sido cancelada, la Oficina de Educación Comunitaria y Continua se pondrá en contacto con usted.

ADMISION A LAS CLASES

Se admite a los estudiantes en el orden de inscripción. No se permite que los estudiantes asistan a clases en las que no estén oficialmente inscritos. Los estudiantes deben asistir a clase el primer día. De lo contrario, pueden perder su sitio en la clase y éste se le puede dar a un estudiante que esté esperando para inscribirse. Se permite que los estudiantes se inscriban en muchas clases a lo largo del semestre siempre que sea con permiso del instructor.

AUSENCIAS

Se espera que los estudiantes asistan regularmente a clases. Debe haber un mínimo de estudiantes en clase el primer día para que la clase continúe. Además, la clase puede cancelarse si hay faltan muchos estudiantes durante el semestre.

Los estudiantes que no asistan a clase regularmente se arriesgan a perder su sitio en la clase, el cual se le puede dar a otro estudiante que quiera asistir. Como regla general, cualquier estudiante que falte más de dos semanas puede perder su sitio, a menos que haya llegado a un acuerdo con el instructor. Los estudiantes que pierdan su sitio en una clase pueden volverse a inscribir, siempre que haya espacio.

COSTOS DE MATERIALES

Algunas clases pueden requerir el pago de una tasa para cubrir el costo de los materiales. Las tasas de materiales se publican en el calendario de clases, y su costo varía según el curso del que se trate. Los estudiantes pueden librarse de pagar la tasa si deciden conseguir los materiales por cuenta propia. Si usted desea una lista de materiales y un formulario para ser dispensado de pagar la tasa, tenga la bondad de ponerse en contacto con la Oficina de Educación Comunitaria y Continua.

Los estudiantes que quieran pagar la tasa de materiales educativos deben inscribirse y pagarla antes de asistir a clase. Primero los estudiantes se apuntan en la clase. Después de esto, la universidad les manda un recibo con instrucciones para el pago. Una vez hecho el pago, los estudiantes presentan el comprobante del pago en clase y reciben los materiales.

ESTACIONAMIENTO

Para estacionar un vehículo en la universidad hace falta tener un permiso de estacionamiento. En el recinto universitario de Valencia hay máquinas que venden permisos de un día por \$1 en los estacionamientos 6 y 15. Si desea un permiso para todo el semestre, puede obtenerlo en la oficina del cajero de la universidad (Cashier's Office), que se encuentra en el edificio de administración. En el recinto universitario de Canyon Country, hay máquinas para comprar permisos de un día por \$1 en los estacionamientos 2 y 3. También puede comprar permisos para todo el semestre en la oficina del cajero, que está en el grupo de edificios 1 (Quad 1).
